

Making a real impact in our communities

At Thirteen, we've been working to help improve the lives of people in our neighbourhoods for years.

We provide homes, support and opportunities to grow. We're a not-for-profit organisation and focus on delivering our charitable objectives of providing housing, care and support for those who need it.

Thirteen is the largest housing association in the region, managing 34,000 homes across the North East and North Yorkshire. In Redcar and Cleveland, Thirteen provides 789 homes. The range of services that we provide has a far-reaching impact for tenants, customers and the wider community across our area.

This document gives you some important information about these impacts and demonstrates how we're performing in these areas. We also collect and publish these figures to help us make changes to the way we work and improve the services we offer to customers.

The measurements cover the year from April 2018 to March 2019 and give you details about some of the impacts that Thirteen has in the area.

We also have more information about performance and Thirteen's impact on the area on the website at **www.thirteengroup.co.uk/aboutus.**

Last year, tenants and customers said:

They said:

Repairs in customers' homes

We carry out a range of repairs in our customers' homes to ensure they're kept in a good condition.

Our skilled staff include plumbers, electricians, plasterers and bricklayers who maintain and repair homes, together with gas fitters who service and repair heating systems.

We have continued to improve our repairs system to help better allocate repairs jobs, ensure a better service for customers and increase customer satisfaction.

Customer satisfaction with services

Customer satisfaction is a major focus for

The satisfaction level among customers gives us a good indication as to how effective our services are, and where we need to make improvements.

We listen carefully to what customers tell us through a number of surveys that we carry out with them.

Improving neighbourhood services

Since April 2018, we have fundamentally changed the way we work in our neighbourhoods.

Tenants and customers told us that they wanted our staff to be more visible in neighbourhoods, helping them to deal with the issues they face on a day-to-day basis. So we adopted an operating model to put neighbourhoods at the heart of our business, with more neighbourhood co-ordinators managing a reduced number of properties.

Across the Tees Valley: 560 estate inspections carried out across the Tees Valley 3,335 affordable properties let last year 100 neighbourhood co-ordinators managing Thirteen's homes across the region Co-ordinators manage patches of an average 350 homes

Supported housing services in Redcar and Cleveland

We provide services to meet the needs of vulnerable people and support them to improve their quality of life.

We support a wide range of people who face challenges in their lives including homeless people, ex-offenders, people with mental health issues, people recovering from substance misuse, families, women and young people.

Employment support

We help people aged 15 to 29, and tenants of any age, to find work, training and education.

Our employability services work with people and businesses across Teesside and County Durham to match them with jobs, apprenticeships, training and work placements.

The services help people and businesses to: find quality information, advice and guidance about jobs, training and education; find mentoring and support to plan a way into work or training; develop the skills that businesses need; and overcome barriers to getting a job or training.

Throughout our area, we helped 599 Thirteen tenants to take up employment, apprenticeships or training.

Developing new homes

We continue to develop new homes for people across the North East and North Yorkshire.

By developing new homes and bringing empty homes back to life, we're supporting the regeneration of the region. We are also helping more people to buy their own home and access properties for affordable rent.

Across our region, we completed 401 new affordable homes and spent £29m on developing them.

Money advice

Thirteen's money advice team helps customers with their benefit problems, manage their finances and make the most of their money. The team helps customers and tenants to: claim the benefits they're entitled to; deal with benefit problems; deal with debt problems; manage their money and budget for the things they need.

This year, we have also worked with partners to create plans to tackle issues created by Universal Credit.

Preventing homelessness

Our services help people who are homeless or at risk of homelessness.

We're also responsible for helping people to move on from supported accommodation and into more general accommodation with a social landlord.

Thirteen's teams work to identify people at risk of homelessness and to improve their lives by offering help, advice and practical support. This can include help with finding a home or a job, building resilience or working towards personal independence.

Across all our areas...

Our Thirteen philosophy

At Thirteen we're all about providing homes, support and opportunities to grow. With a vision of a caring landlord and housing developer, we understand that everyone is an individual. We promise a home for their life. Whether that's a space to enjoy with family, a haven to return to every night or somewhere to put down roots, we're there to provide what customers prefer.

Putting customers at the heart of our business helps us shape the organisation and continue to ensure we're there for anyone who needs a home, and maybe a helping hand too. Our vision extends beyond homes to investing in their neighbourhoods and the wider Tees Valley too.

1. Our mission - why we are here

We provide homes, support and opportunities to grow.

2. Our vision

As a housing association, we are a caring landlord and housing developer. We're here to help anyone who needs a home. We're about investing in neighbourhoods and making a major contribution to the regeneration of the Tees Valley.

3. Our priorities

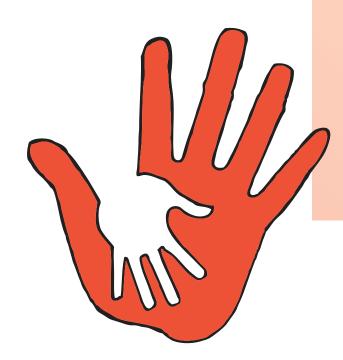

- 1. Great customer experience
- 2. Delivering quality places to live and improving neighbourhoods
- 3. Being Team Thirteen considerate, smart and progressive

4 Our geographic focus

We operate across the North East and North Yorkshire. Our regeneration and social value work has a focus on the Tees Valley.

5. Our values

- Considerate: in our behaviour
- Smart: in the way we do things
- Progressive: we move things on

£1bn investment

Looking ahead, between 2019 and 2024, we will invest over £1billion across the Tees Valley to improve homes for existing customers, building new homes, making improvements to neighbourhoods and into support services for customers.

This will help 2,000 people into training or employment, offer apprenticeships to 300 residents and aims to secure up to £6million in additional welfare benefits for customers. Our investment in construction will also create up to 6,000 jobs.

Between 2019 and 2024, across the Tees Valley Thirteen is investing:

£159m into services to support neighbourhoods and neighbourhood improvements, including employment and training for young people, money advice and help for people in crisis

£59m to build 298 market sale homes, with profits reinvested into Thirteen's social purpose.

£393m to build 3,000 affordable and shared ownership homes

£411m to improve up to 20,000 existing homes
