# Our Thirteen philosophy

Our Thirteen philosophy captures our strategy to build a stronger business with five component parts:

## 1 Our mission – why we are here

We provide homes, support and opportunities to grow.

## 2 Our vision

We are a caring landlord and housing developer. We're for anyone who needs a home and maybe a little help to get it. We're about investing in neighbourhoods and making a major contribution to the regeneration of the Tees Valley.

## 3 Our priorities

1. Delivering great customer service
2. Growing our business as a social entrepreneur
3. Contributing to regenerating the Tees Valley
4. Being Team Thirteen – high performing, collaborative and efficient

## 4 Our geographic focus

Our new affordable housing development work will focus on the Tees Valley. We will consider developments and services outside of the Tees Valley if it covers costs and generates profit. On the whole, we will not seek to be the landlord of properties beyond our core operating area of the Tees Valley.

## 5 Our values

- Considerate
- Smart
- Progressive

THIRTEEN

In a world where life can be a challenge for some people, we are a caring landlord and housing developer. We're for anyone who needs a home and maybe a little extra help to get it. We're against inequalities that limit our potential.

We value empathy, flexibility and reliability, provide homes, support and opportunities to grow and we promise a home for your life.

The homes and support services that Thirteen provides are just the beginning.

They provide the foundation from which to develop. A place to grow independence. Somewhere to begin a family. The security to enjoy retirement. The opportunities are limitless.

## **Work with us...**

As well as always improving what we do, we're growing. Growing our business to provide more affordable homes; homes for market sale, delivering regeneration projects and providing accommodation with care services.

But we're not a business that just wants to work alone. We can provide services on behalf of your organisation. Our skilled colleagues and committed board directors all work tirelessly to support over 70,000 tenants and customers, bringing a breadth of experience and a can-do attitude.

All this in an organisation of size and scale and in a strong financial position, but that still remains locally responsive.

At Thirteen, we're a willing partner – so just get in touch if you'd like to work with us.
