Help tackle fly tipping

One of the biggest issues in neighbourhoods in East Middlesbrough is fly tipping.

Thirteen is committed to continually improving neighbourhoods for our customers and to create places where people want to live. However, fly tipping creates all sorts of issues and can make our areas unpleasant places to live. It's also an offence so we need your help to tackle the issue.

We work closely with partners to ensure that our streets and

neighbourhoods are maintained to a high standard. You can report fly tipping to Middlesbrough Council at:

tel: **01642 726001** or

web: **www.middlesbrough.gov.uk**

Alternatively, contact Thirteen on tel: **0300 111 1000**.

By working together, we can make Middlesbrough a cleaner, brighter place to live.

Improving our local environment

We have recently had two successful schemes approved to go ahead at Welton House. We have planted a flower bed beside the main entrance and replaced the fencing in the car park to improve the general look of this area.
